

Ash Croft Primary Academy

Proposed Nursery Provision for 3 and 4 year olds

Dear Parents/Carers/ members of the community

We recently carried out a survey to gauge interest in the proposal of nursery provision for 3 and 4 year olds at Ash Croft Primary Academy.

The results of the survey were positively in favour of nursery provision from September 2019.

Initial expressions of interest need to be made by 29th April 2019, any names after this will be added to the waiting list.

I would like to ask if you would complete the form below and return it to the Academy before 29th April 2019. This will give us a firm idea of potential numbers for nursery places in September.

I would like to express that completing this form provides no guarantees that nursery provision will be available or that your child will be offered a place at the nursery.

I look forward to hearing from you.

Yours sincerely

Penny Brown
